MISSION : ORDER OF BATTLE

1) It is essential to know for the general region between Heidelberg and the Rhine if units of the 19th Army formerly in the Colmar pocket are being refitted in the region or are passing through to the West bank of the Rhine. In any case, numbers of the divisions, locations if fixed of Headquarters, divisional signs.

2) For the route west of the Rhine essential to note movement. Particularly true for the area between Kaiserslautern and Sarrebrücken.

DUMPS AND DEPOTS

Gasoline dumps are top priority. In each case indicate size, activity, precise location, defenses, and landmarks that facilitate recognition by aerial photography.

There are four spots which are of particular importance for JOSHUA to visit.

1) Triangle Erfenbach - Siegelbach. What is in the woods particularly Siegelbach. All details.

2) Landstuhl - Ramstein road. Particular attention to the woods on the left or western side of the road.

3) Road Landstuhl - Hauptstuhl. Approximately two kms. west of Landstuhl on both sides of the road.

4) Triangle Erbach - Klein Ottweiler - Homborg. Careful observation of motor transport in region.
